Note: Mixing directions can change depending on the price and quality of local available raw materials.

For the best results; start with the Koudijs Romelko Program.

Important remarks:

- To achieve good results, follow up on the mixing instructions! Do not alter or change without consult.
- Always make sure all pigs have access to enough feed.
- To avoid drop in feed intake; ensure the change of feeds happens gradually.
- Be biosecurity wise; use disinfection materials, keep separate shoes for the pig houses only.
- Make sure pigs always have access to fresh, cool and clean water.
